## Second INITIATION

### Anthar Kriya Yoga Mantra Yagna

Mauna · Mantra Diksha · Kundalini Pranayama · Make Your Life Your Yoga

*a path to action with self-awareness, self-transformation, self-empowerment and self-realization*

for all initiates of Babaji's Kriya Yoga

The Second Initiation into Babaji's Kriya Yoga is the complement to the First Initiation.

The Anthar Kriya Yoga retreat trains you how to practice Yoga constantly in daily life in any of your routine activities. It enhances liberation from suffering, awakening of consciousness, constant self-awareness and unconditional bliss. It enables you to integrate Kriya Yoga into your daily life to experience its effects and its true wealth.

You experience more qualities of the integral five-fold Yoga during one day of dedicated practice (*tapas*) in meditative sacred silence (*mauna*), followed by one day of chanting around a sacred *mantra yagna* fire preparing you for personal *mantra diksha* initiation. You receive *bija chakra* mantras and a personal *shakti* mantra of a divine quality and power. You learn complementary *pranayama* breathing techniques to awaken, rise and increase your subtle creative life force and for purifying and healing your physical and subtle bodies, a Yoga Nidra practice and how to transform habitual obstacles and afflicting emotions.

This training requires a peaceful environment and time apart from the distractions, demands and preoccupations of your life at home to allow for a period of intense training and spiritual immersion.

Organized by Babaji's Kriya Yoga Ashram and Publications Trust, India, in collaboration with Babaji's Kriya Yoga Order of Acharyas, a registered charity, founder president M. Govindan Satchidananda

**KRIYA YOGA** is a holy scientific art of inner alchemy for God, Truth union and Self-Realization. It was revived for today's humanity by a perfected grand master of India and spiritual world teacher, Kriya Babaji Nagaraj, nowadays taught in various branches of his disciples. It is a practical distillation of Siddhanta, a synthesis of ancient teachings of the Siddhas, India's mystic ageless sages and tantric Yoga adepts who have attained perfection, represented by Siddha Tirumular's '*Tirumandiram*' Tantra Yoga, Siddha Boganathar's Yoga of secret internal alchemy,

and Siddha Patanjali's famous '*Yoga Sutras*', reflected in the South Indian **18 SIDDHA TRADITION.**

## THE LINEAGE

Babaji's Kriya Yoga Order of Acharyas, founded by M. Govindan Satchidananda, inspired by his teacher Yogi S.A.A. Ramaiah and Babaji, initiates in three progressive stages into a series of 144 comprehensive Yoga techniques (*Kriyas*), which represent a five-fold path of Yoga, based on the teachings of Babaji and the 18 Siddha tradition.

The initiations are taught in three intensive seminars as a day program or retreat program.

The first and second initiation together form the basis for a solid, effective and authentic Kriya Yoga practice.

A third initiation residential 9-day advanced retreat introduces a series of 144 Kriyas, techniques to purify the bodies and develop subtle energy powers (*siddhis*) and the mystic states of consciousness in meditation (*samadhi*).

Repeating is being appreciated by many initiates to refresh or deepen and expand their inner experiences and personal insights and prepare for attending the next stage.
