*The Internal Alchemy of Yoga*

*a path to action with self-awareness, self-transformation, self-empowerment and self-realization*

For Initiates with Second Initiation in Babaji's Kriya Yoga

### THE TEACHING

The Third Initiation complements and extends the foundation of practice of the First and Second Initiation and reflects the essence of various authentic paths of Yoga. It is a practical distillation of Siddhanta, the foundation of the Siddha tradition. It was compiled in this form by Yogi Ramaiah from South India, the founder of our lineage of Kriya Yoga.

This residential retreat intensive introduces you to 144 Kriyas, Yogic techniques to extend your repertoire of transformation and healing tools, with specific techniques to purify the subtle bodies, to induce the awakening of your latent energetic potential of life force (*kundalini*), to develop your latent subtle faculties and energy powers (*siddhis*), and the mystic states of consciousness in communion with the Absolute in meditation (*samadhi*), and to cultivate a relationship with the Siddhas and Babaji.

This allows you to immerse yourself deeply into our tradition of Babaji's Kriya Yoga, and glimpse insights of the rich body of knowledge of the *Siddhas*, India's mystic ageless sages and tantric Yoga adepts.

Those powerful Tools with profound effect are given in person specifically to you and *only* for your own personal private use. Your Ability to use them requires your initial training and your regular personal practice. Then you can and will experience the sacred magic of inner alchemy which words cannot describe.

Organized by Babaji's Kriya Yoga Ashram and Publications Trust, India, in collaboration with Babaji's Kriya Yoga Order of Acharyas, a registered charity, founder president M. Govindan Satchidananda
